

Title of Article + Proper MLA Citation for Works Cited page	Author(s). "Title of Article." Title of Journal, Volume, Issue, Year, pages. Putting Ethnographic Writing in Context by Seth Kahn
Summarize the article -- include your reaction, thoughts, anything to help you remember its claims. 100 to 150 words	This article explains the comprehension and understanding of the term ethnography. The author mentions how it can help and affect different discourse communities. He also mentions how it relates to the communities. People think of ethnography as a dissection and study of culture and the findings associated with sed research.
Define new terms and concepts by quoting or paraphrasing the original author.	“Ethnographic writing challenges you to consider everything that’s interesting and difficult about writing; it pushes you to generate, collect, analyze, and synthesize.”
How does this reading connect to other articles from class and/or your own research?	This reading connects to other writings because it explains new concepts of writing and how to apply just like other articles. They all explain a new concept for writing and finding research.
Based on the reading, craft one question to act as a springboard for class discussion.	What kind of research can ethnography be helpful for?
